Ninety nine of every one hundred diseases that children have are due to disorders of the stomach, and these disorders are all caused by indigestion. Mrs. Henry Carter, 705 Central Street Nashville, Tenn., says "My little boy is now three years old and has been suffering from indigestion ever since he was born. I have had the best doctors in Nashville; but failed to do him any good. After using one bottle of Kodol he is a well baby. I recommend it to all sufferers." We have been asked several times lately whether the Village Trustees advertised for bids before letting the contract for building the City hall. It is customary to advertise for bids and give all the mechanics in the community an opportunity to bid on the construction of public buildings and we suppose it was done in this case, but as we are not able to answer the question the columns of the GRAPHIC are open to anyone who wishes to answer.
